* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change.

§Make sure you consider course delivery by year (**some courses only have even or odd year offerings**).

#EHS 909 Internship may not be initiated until a minimum of 3 core classes have been completed which must include BIOS 576A, EHS 502 and EHS 584.

Note: The final internship report may not be completed until the semester following the completion of all five MPH core courses. **All five MPH core courses must be completed prior to the student's final semester.**
